***Lunch for guests/non-shooters - \$5.00**

Directions to the Club: Take 360 from Mechanicsville, thru Tappahannock, thru Warsaw. About seven miles from Warsaw you will see on your right a small business that sells Amish sheds, "Jewell's Buildings", immediately look to your left, across 360, and you will see a large cell tower. The club uses the driveway to the cell tower. Go 1/4 mile past Jewell's, turn left at crossover to get in the westbound lane, come back 200 yards, and turn right at sign on pole with orange dot. The club is about a half mile off road from 360.

From Northern Virginia, Take 95 South to exit 126 (Spotsylvania). Turn right onto Rt 1 then go approx. 1/2 mile and turn left onto 17 South. Drive approx. 50 miles to Tappahannock, then turn left onto 360 East. Once in Warsaw, follow the directions above.
